60th Anniversary

Thank you for your continued patronage. Our company celebrates the 60th anniversary this year. We will continue to produce good products that will be helpful to researchers.

Yours faithfully

The Narishige Neuroscience Research Foundation commemorated its 30th anniversary last year.

In commemoration, the reunion of the alumni was held, where good old memories were shared by the alumni from many generations. In addition, thanks to the contribution by each alumnus, a commemorative collection of essays was issued.

We earnestly hope to continue serving the scientists and researchers across the generations.

As we approach our 60th anniversary, with an eye toward becoming a company to last 100 years and by educating younger employees, we will step up company-wide efforts to create products to be desired and loved by customers.
